The Massachusetts Department of Transportation will present and seek public input on alternatives for the siting, design, and construction of a vehicle storage and maintenance facility to support the proposed Green Line Extension. Members of the public, agency representatives, and other project stakeholders are invited to attend the meeting, which will include a presentation, and to provide comments and ask questions.

If you have questions about the Green Line Extension project in general, please contact Kate Fichter of the MassDOT Office of Transportation Planning, at katherine.fichter@state.ma.us or 617-973-7342.

Please contact Regan Checchio, Regina Villa Associates, at 617- 357-5772 ext. 14 or rhecchio@reginavilla.com with requests for language or hearing accommodations. *Aviso importante: Por favor, traduzcan inmediatamente el presente texto.
